Letter No.1068 dated 3-8-32 from the Secretary, Advisory Committee, Sri Chamarajendra Veda Maha Patasala, Bangalore, to the Muzrai Commissioner Mysore.

I have the honor to submit herewith a copy of the revised curricula of studies in the Sri Chamarajendra Veda Maha Patasala, Bangalore, together with an extract from the resolution of the meeting of the Committee held on 4-6-32 and to state that after discussing the matter at several meetings with Ratna Pra.Sri Vydyanatha Sastrigal and the Pandits of the Patasala, the syllabus of studies has been revised extending over a period of 12 years in the case of Veda students during which time a student of ordinary capacity is expected to finish Salakshana Ghanantha or Srouta Prayoga or Smartha Prayoga with Sutrartha and Mantrartha and can appear for the Vidwat examinations conducted by the Board of Sanskrit Studies and Examinations in Mysore.

In the case of Prayoga students the time has been cut short to 7 years and the course has been so framed as to enable a student to earn a living, even if by force of circumstances he is compelled to give up his studies after undergoing a course of 3 or 4 years and if he can study for the full period of 7 years he can go out into the world with a thorough grasp of the Prayoga which he takes up for study.

The special feature of this revision is to give the student a good knowledge of Sanskrit up to the standard of Natakantha Sahitya beginning with the alphabet.

The curriculum of studies thus revised was approved by the Committee at their meeting held on 4-6-32 and I am to request that early sanction may be accorded thereto and arrangements may kindly be made to get 200 copies of the same printed in Kanarese.

The Compiler, Mysore Gazette, may also be requested to publish this revised syllabus of studies in the Gazette for general information.

Resolution:- Seggestions of the members of the Board of Sanskrit Studies and examinations in Mysore, regarding the curriculam of studies in this Pathasala, were discussed and it was resolved that the suggestion of introducing Krama I kanda in the 9 th year of Krishna Yajurveda, may be adopted and that regarding the Parjanya Sukta in the Prayoga 6 th year, as it is included in the curricula because of its rare occurence, it is necessary to retain it in the curricula and that other suggestions can not be adopted as they have been found practically impossible.

(iii) For the higher classes in Prayoga, Dharma Sutra and Grihya Sutra Taittiriya Samhita up to Vibhakti Kanda whole with meanings may be taught in place of Parjanya Sukta, Bhardwaja Sutra, Dharma Sindhu and Dharmasutra of which only original texts only are prescribed for Recitation.

Sir,

With reference to your letter No. 304 24-9-32 about the revised curricula of Sri Chamarajendra Veda Mahapathasala I beg to inform you that I am of opinion five years instead of Seven will suffice to cover the portions as proposed to be prescribed for Prayoga. If easy are also introduced, as it is very necessary the students should know the meanings of mantras and stotras they are required to study, then the seven years period may be retained.

Yours sincerely

ANNEXURE.

No. 166—32-33—*Muz.* 275-33-1, *dated Bangalore,* 21*st*—23*rd December* 1933, *from N. Madhava Rau, Esq., B.A., B.L., Muzrai Commissioner in Mysore, to S. Shamanna, Esq., B.A., Secretary to the Government of His Highness the Maharaja of Mysore, Financial Department.*

Sir,

In forwarding herewith a copy of letter No. 1068, dated 2nd August 1932, received from the Principal of the Sri Chamarajendra Veda Maha Patasala, Bangalore, requesting sanction to the revised curricula of studies for the Patasala as approved by the Patasala Committee at their meeting held on 4th June 1932, I have the honour to state that the existing curriculum of studies was sanctioned in Government Order No. 1303—Muz. 260-25-2, dated 14—15th April 1926. Sama Veda Classes have since been opened and a syllabus has to be fixed therefor. With a view to place the entire courses of study on a better footing and give the students a good knowledge of general Sanskrit education, the present revision is proposed by the Committee in consultation with Bra. Sri Mimamsa Kantirava Vydyanatha Sastrigal and the Patasala Pandits. Some of the suggestions offered by the members of the Board of Sanskrit Studies and Examinations in Mysore, who were consulted in the matter, have also been incorporated in the revised curricula. The chief features of the present revision are—

(i) Improvement of Kavya Study—essential to both Veda and Prayoga students—up to Natakanta Sahitya standard.

(ii) Extension of Veda studies for over a period of twelve years during which time a student can finish Salakshana Ghanantha and sit for the examinations conducted by the Board of Sanskrit Studies and Examinations.

(iii) Reduction in the number of years by regulating the portions in the Prayoga Classes so as to give a full knowledge of the Prayoga within a course of seven years instead of twelve years at present.

2. The course proposed for the earlier years in the curriculum of the Maha Patasala may also be adopted in the mofussil Patasalas which are in receipt of grants-in-aid from the Muzrai Department with a view to ensure uniform syllabus and a free flow of students to the Maha Patasala for higher studies.

3. In the foregoing circumstances, I request that sanction of Government may kindly be accorded for the revised curricula of studies (English and Kannada herewith submitted) for the Patasala. The Superintendent, Government Printing, may be requested to supply 200 copies of each for distribution among the grant-in-aid Patasalas. The revised curricula will be adopted in the Patasala from the next academical year.

I have the honor to be,
Sir,
Your most obedient servant,

N. MADHAVA RAU,
Muzrai Commissioner.
